[Supply Chain](#) today announced it ranked number No. 93 on the Deloitte Technology Fast 500™, a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies in North America, now in its 30th year. Legendary Supply Chain grew 1342% during this period.

Legendary Supply Chain's chief growth officer, Rob Steele, credits his team's dedication to excellence and customer satisfaction with the company's 1342% revenue growth. He said, "Making the Deloitte Fast 500 for the second year in a row is a testament to the grit, talent, and relentless drive of

our team. At Legendary Supply Chain, we don't just aim high — we execute. This recognition reflects our commitment to rolling up our sleeves, tackling challenges head-on, and delivering real, measurable results for our customers."

"For 30 years we've been celebrating companies that are actively driving innovation. The software industry continues to be a beacon of growth, and the fintech industry made a strong showing on this year's list, surpassing life sciences for the first time," said Steve Fineberg, vice chair, U.S. technology sector leader, Deloitte. "Significantly, we also saw a breakthrough in performance of private companies, with the highest number of private companies named to the list in our program's history. This year's winners have shown they have the vision and expertise to continue to perform at a high level, and that deserves to be celebrated."

"Innovation, transformation and disruption of the status quo are at the forefront for this year's Technology Fast 500 list, and there's no better way to celebrate 30 years of program history," said Christie Simons, partner, Deloitte & Touche LLP and industry leader for technology, media and telecommunications within Deloitte's Audit & Assurance practice. "This year's winning companies

have demonstrated a continuous commitment to growth and remarkable consistency in driving forward progress. We extend our congratulations to all of this year's winners — it's an incredible time for innovation."

Legendary Supply Chain previously ranked 194th as a Technology Fast 500 award winner for 2023. This continued pattern of growth reflects an exciting period of innovation and development within the company. As we continue to scale our operations, we are dedicated to maintaining a dedication to concierge customer service and practical solutions.

Overall, 2024 Technology Fast 500 companies achieved revenue growth ranging from 201% to 186,373% over the three-year time frame, with an average growth rate of 2,100% and median growth rate of 460%.

About the 2024 Deloitte Technology Fast 500

Now in its 30th year, the Deloitte Technology Fast 500 provides a ranking of the fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies — both public and private — in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2020 to 2023.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company's operating revenues. Companies must have base-year operating revenues of at least US\$50,000, and current-year operating revenues of at least US\$5 million. Additionally, companies must be in business for a minimum of four years and be headquartered within North America.
