[George Riley](#), Partner at DBL, reflected on the event's impact and the importance of supporting veterans, "I was honored to be part of the team hosting local area veterans at the DBL Veterans Day of Service event. As a veteran-owned and veteran-friendly firm, DBL was proud to honor the service and commitment of our participants and their spouses and provide them with a quality essential legal readiness plan. Like a number of my DBL teammates, I am a veteran myself, having served the first 22 years of my career as a Navy Judge Advocate attorney. Part of my duties in that role was to provide Sailors, Marines, and their families with essential legal readiness documents. To provide that service again to our veteran clients was very special to me, and I think our participating veterans greatly appreciated DBL's support."

The Veteran Day of Service brought together DBL attorneys and staff, who dedicated their time and expertise to assist veterans in need. By providing these vital services, the firm reinforced its
