“

I'm proud to be part of an organization dedicated to providing quality, affordable mental health care. Our new clinic in Chelsea is ready to serve and support the community!”

*Joel Berger, Regional Clinic
Director*

Services is excited to announce that its new mental health clinic is now open in Chelsea, Massachusetts! This clinic is designed to provide comprehensive, compassionate care to the community of Chelsea as well as surrounding areas. Northeast Health Services' mission is to promote mental well-being by delivering quality and accessible mental health care with an empathetic and professional approach. [The clinic](#) will feature a team of highly trained mental health professionals who deliver personalized, evidence-based treatment plans. The opening of this clinic looks to address the growing need for mental health support and resources. Northeast Health Services believes that mental

health care is a fundamental human right, and they are dedicated to ensuring that every individual receives the care they need in a supportive and respectful environment.

According to the 2022 [Massachusetts General Hospital Community Health Needs Assessment Report](#), 30% of Chelsea residents have experienced 15 or more days of poor mental health per month, and 40% of Suffolk County individuals have previously sought mental health treatment. For over a decade, Chelsea has consistently reported higher mental health emergency department visits than the state average.

Moreover, in response to the pressing mental health needs of young people, [Chelsea Public Schools](#) has launched an initiative to support local students, particularly those facing trauma related to injustices. Northeast Health Services is proud to contribute to the betterment of the community through these crucial investments.

Northeast Health Services is a group of local outpatient mental health care clinics dedicated to transforming lives by offering quality, easily accessible mental health care. With a commitment
