College of Business. Team members serve as advisors in the Entrepreneur-in-Residence Program, guest lecturers in the graduate school, and participants in the annual Business Leadership Conference and CEO Club Panels. Additionally, they have offered internship opportunities through ECU's RISE29 student entrepreneurship program and are working with ECU's Arthur Graduate School of Business to develop an innovative, first-of-its-kind Entrepreneurship Through Acquisition (ETA) program to assist military personnel transitioning to civilian life.
