“EB Ventures will supply much needed capital and exposure to businesses from Kentucky and beyond who do not have an avenue to reach the [investor](#) community,” said [founder](#) and managing director Vincent Edwards. “This is a nationwide investment community. We're bringing something here that is not here. The number one reason

businesses fail is lack of capital. EB Ventures will alleviate some of that.”

Empire Builders Foundation was established in 2021, offering coaching, consulting, mentorship and internships to marginalized business owners and startups. In 2024, Edwards added the division of EB Ventures to the nonprofit organization. “We have been serving this community for the last three years. We are expanding our ecosystem with EB Ventures to provide more benefits to more clients in more communities.”
