EINPresswire.com/ -- From Noelle Kahaian: My journey is deeply rooted in a legacy of service, a commitment to family values, and a passion for defending the rights of parents and preserving the innocence of our children.

My family's commitment to service spans generations. My grandfather bravely stormed the beaches of Normandy, setting a precedent for valor and sacrifice. Following in his footsteps, both my father and uncles served in the military, instilling in me a profound appreciation for the principles that make our nation great – freedom, liberty, and the pursuit of happiness.

As an Ambassador for VFAF Veterans for Trump, I am inspired by the enduring legacy of service within my family. Much like their commitment to preserving our cherished values, I am devoted to championing the needs and interests of our veterans, ensuring their sacrifices are always honored and remembered.

My involvement in the local faith community has reinforced my belief that the church serves as a beacon of positivity and guidance in our society. As a wife of 26 years and a mother of two grown children, I understand the profound responsibility we have to build a strong foundation for the
