

2024 Duty of Care Awards Winners Announced

The 2024 Duty of Care Awards honoured global leaders in workforce health, safety, and wellbeing, themed "Leading Change for a Re-Imagined Future."

KUALA LUMPUR, MALAYSIA, November 22, 2024 /EINPresswire.com/ -- The International SOS Foundation has revealed its 2024 Duty of Care Awards winners live at the Fullerton Hotel in Sydney, Australia, on the 31st October 2024.

Honouring organisations worldwide for their dedication to protecting their global workforce's health, safety, security and wellbeing, the Awards are now in its seventh edition. The Awards' theme, Leading Change for a Re-Imagined Future, is befitting in this continuously changing risk landscape.

Malaysian Winners Celebrated for Exceptional Contributions

In line with this vision, two exceptional winners at the awards underscored Malaysian employers' commitment to workplace safety and employee wellbeing. Ms GekNgo Goh from Technip Marine (Malaysia) Sdn Bhd / TechnipFMC was honoured with the prestigious Duty of Care Ambassador Award. Ms Goh's leadership and commitment to promoting health, safety, and wellbeing within her organisation have set a high standard across the industry, marking her as a key figure in Malaysia's journey towards enhanced workplace safety.

Pengurusan Air Selangor Sdn Bhd was recognised as the Runner Up in the Workplace Wellbeing Award category. This achievement reflects the organisation's dedication to fostering a safe and supportive environment for its employees, aligning with the awards' goal to celebrate organisations championing worker welfare on a global scale. Air Selangor's initiatives exemplify the importance of workplace wellness programmes that address the physical, mental, and emotional health of employees.

These achievements resonate with the Awards' mission, as both TechnipFMC and Air Selangor exemplify best practices in workplace care on a global stage.

About the International SOS Foundation

Established in 2011, the International SOS Foundation has the goal of improving the safety, security, health and welfare of people working abroad or on remote assignments through the study, understanding and mitigation of potential risks. The escalation of globalisation has enabled more individuals to work across borders and in unfamiliar environments, leading to exposure to risks that can impact personal health, security and safety along with travel.

The Foundation is a registered charity and was started with a grant from International SOS. It is a fully independent, non-profit organisation. For more information on Duty of Care and the International SOS Foundation, please visit www.internationalsosfoundation.org
