

# Reconstruct Boundary by Yi-Rong Wen Wins Bronze in A' Interior Design Awards

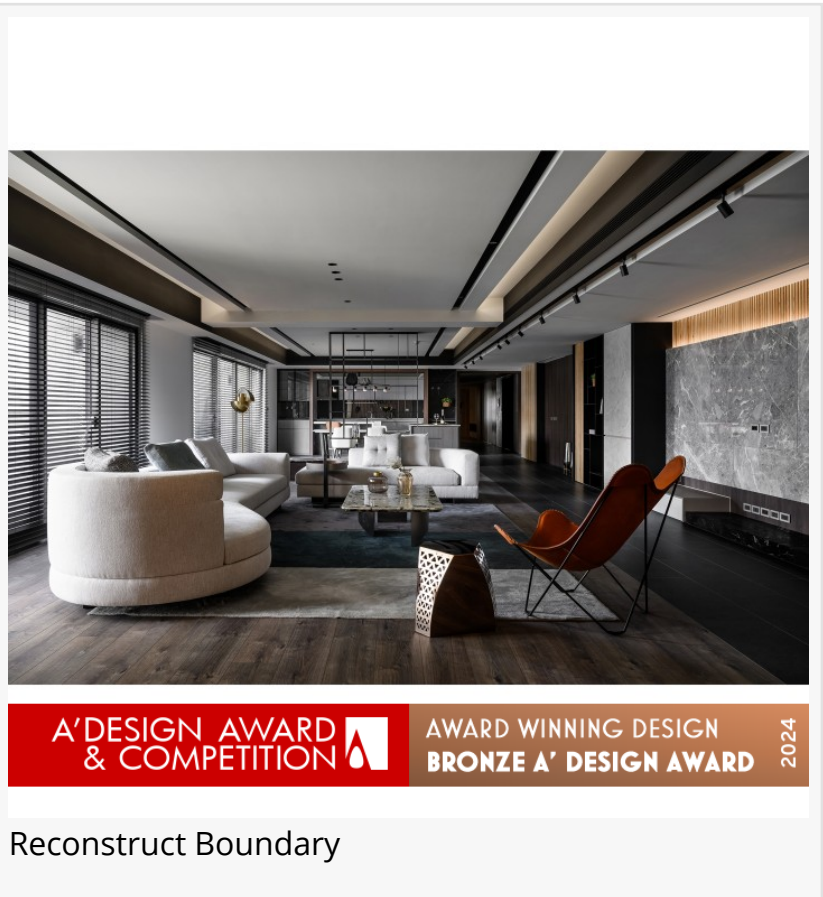

*Yi-Rong Wen's Innovative Residential Design Recognized for Excellence in Interior Space and Exhibition Design Category*

COMO, CO, ITALY, November 22, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected international design competition, has announced Reconstruct Boundary by [Yi-Rong Wen](#) as the Bronze winner in the [Interior Space and Exhibition Design](#) category. This prestigious recognition highlights the exceptional creativity and innovation demonstrated in the field of interior design.

Reconstruct Boundary's award-winning design showcases the importance of adaptable, user-centric interior spaces that seamlessly integrate functionality and aesthetics. The project's success in the A' Interior Design Awards underscores its relevance to current industry trends and its potential to inspire future advancements in residential design.

Yi-Rong Wen's Reconstruct Boundary stands out for its innovative use of space, masterful color scheme, and attention to detail. The design blurs boundaries between living areas, utilizing custom-made suspended ironwork and open laminates to create a permeable yet distinct flow. The thoughtful selection of flooring materials further defines each space's unique character while maintaining overall cohesion.

This recognition from the A' Interior Design Awards serves as a testament to Yi-Rong Wen's dedication to pushing the boundaries of residential design. The accolade is expected to inspire the designer's future projects, driving further innovation and exploration in creating living spaces

Reconstruct Boundary

that prioritize family interaction and well-being.

Reconstruct Boundary was designed by Yi-Rong Wen, who led the project and provided the creative vision for this innovative residential space.
