Why Safety Week Matters for Families Who Travel

Whether your next destination includes a hotel pool or a seaside retreat, knowing your child's swimming proficiency is vital. SwimRight Academy's Safety Week ensures parents have clarity on their child's capabilities, helping to prepare

them for safe, confident experiences in aquatic environments.

Led by experienced instructors, these evaluations focus on fundamental skills like floating, basic strokes, and [water safety](#) awareness. Parents receive professional insights into their child's abilities, along with recommendations tailored to their development needs.

What to Expect During the Free Evaluations

Held at [SwimRight Academy's West Hills location](#), Safety Week evaluations are structured to offer parents:

One-on-one skill assessments with certified instructors.

Feedback on swimming techniques, water comfort, and safety awareness.

Actionable advice for improving water readiness before family vacations.

These evaluations are ideal for children at any skill level—from beginners exploring water for the first time to more advanced swimmers who may benefit from refining their techniques.

Supporting Safe Family Adventures
For families with travel plans that involve water-based activities, proper swimming skills are more than just a convenience—they're a necessity. Ensuring that children are comfortable and competent in the water can bring peace of mind and make vacations more enjoyable for everyone. "Safety Week gives parents an accessible way to understand their children's swimming abilities," said Lenny Krayzelburg, Founder of SwimRight Academy. "With professional feedback, families can feel more confident as they prepare for poolside or seaside getaways."

Reserve Your Spot

Spots for the free evaluations are limited and must be reserved in advance. SwimRight Academy's state-of-the-art facility in West Hills provides a welcoming, safe environment for kids to engage with the water under professional supervision.

To register or learn more about SwimRight Academy's Safety Week, parents can contact the academy directly. This event is a step toward safer and more enjoyable aquatic experiences for families both at home and on vacation.

"We have been swimming there for about a year. My kids really enjoy the levels and are motivated by the stickers and getting to ring the bell when they move up a level, they have made great progress. The instructors are fun, outgoing and patient. We love Yesenia and Simeon but everyone we have had is great! I recently had a concern, and when management responded they went above and beyond and provided good customer service."
