

Pioneers PrestoSmile® Showcases Innovative Dental Technology at Greater New York Dental Meeting Centennial Celebration

Discover how PrestoSmile® is transforming dental practices with innovative technology at the 100th anniversary of the Greater New York Dental Meeting.

NEW YORK, NY, UNITED STATES,
November 22, 2024 /

EINPresswire.com/ -- PrestoSmile® is excited to announce its participation in the Greater New York Dental Meeting, celebrating a century of excellence in dental practice. We invite dental professionals, students, and enthusiasts to visit us at Booth 1216, where we will host live demonstrations of our groundbreaking, patent-pending AI Smile mock-up technology.

As the industry leader in dental AI mobile smile simulation, PrestoSmile® is powered by specialized, patent-pending AI that transforms how dental professionals engage with their patients. However, PrestoSmile® is more than just an AI smile simulation tool. They offer comprehensive, turnkey systems that empower dental team members and practice owners to become true entrepreneurs. With a combined experience of over 100 years in the dental field, our commitment is to bring value to both the patient and practice journey through engaging systems and smiles.

They are proud to join forces with some of the industry's leading experts, including Laura from [Sober Life](#) Rocks! Front Office Rocks and UpTime Health Company, the full arch Guru Greg Essenmacher from [GnA](#) Consulting, Andrea Fox, and the innovative teams from [Clue](#) Dental Marketing and the latest in digital patient education Toothority. Together, we aim to share insights and advancements shaping dentistry's future.
