

# 3-2-1-GoCheck Uses AI for Background checking Now Available on Microsoft AppSource and Teams Store

*3-2-1-Check announced the availability of its background checking solution on Microsoft AppSource and directly through Microsoft Teams.*

UNITED KINGDOM, November 26, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- 3-2-1-GoCheck is designed to be secure, accurate and replace the slow and manual background checks that rely on paper trails and can take weeks to complete. 3-2-1- GoCheck is built using the Microsoft AI stack for safety, accuracy and speed, and treats global compliance as a priority. Now HR Administrators, applicants, landlords, prospective tenants and anyone needing to complete a background

The logo for 3-2-1-GoCheck features the numbers '3-2-1' in a large, bold, black sans-serif font. Below them, the word 'GoCheck' is written in the same font, with the 'G' and 'o' in black and the 'C' and 'h' in a dark blue color. The 'e' and 'c' are in black, and the 'k' is in a vibrant green color.

check can use 3-2-1- GoCheck right from Microsoft Teams. Nurup Naimji, CEO of 3-2-1-GoCheck: "I wanted to fix background checking problems given my background checking experience over 20 years was dreadful. Our solution helps companies and candidates alike by eliminating HR administration and onboarding pains. By working with Microsoft and other partners, we are now able to deliver an impactful and innovative solution."

"Through [Microsoft AppSource](#), customers around the world can easily find tailored line-of-business partner solutions that work with the products they already use," said Giovanni Mezgec, Vice President, Modern Work + Business Applications Field & Partner Marketing, Microsoft Corp. "We're happy to welcome 3-2-1-GoCheck solution to the growing AppSource ecosystem, which now includes the [Teams Store](#)."

November, 2024

3-2-1-GoCheck is a global leader in providing innovative background check solutions designed to deliver impactful, human-centred results for businesses worldwide. Our mission is to use

cutting-edge technology to replace cumbersome complicated processes and help 1,000,000 people move on with their lives. Committed to accessibility, 3-2-1-GoCheck ensures its product is available to everyone, offering features like voice input and being listed on the UK Government Responsible Organisations list.

3-2-1-GoCheck also supports the growth of young athletes in climbing. It is an inspiration to see young athletes fall down one day only to get up the next and be stronger. This inspiration is the partial reason why 3-2-1-GoCheck continues to grow. Do let us know if you know of a young climber that we can sponsor.

Find 3-2-1-GoCheck in Microsoft Appsource, the Teams Store or Microsoft Azure Marketplace.
