As the official partner academy for Villarreal CF, one of Spain's premier soccer clubs competing in La Liga and European competitions, Villarreal Houston is honored to have these young athletes represent the academy on such a significant platform.

The three-day camp will be led by UEFA-licensed coaches from Villarreal CF's renowned Yellow Academy in Spain.

The selected players will have the unique opportunity to showcase their skills, with the ultimate goal of earning a spot on the Villarreal CF North American Team. This elite team comprises the top players from the United States, Canada, and Mexico and represents Villarreal CF in international tournaments worldwide.

"This is the third year we've had players attend this event, and it's our largest group yet, with eight girls and 13 boys," said Cesar Coronel, Academy Director for Villarreal Houston Soccer Academy. "We're thrilled to see our players compete at this level. Several players from our academy have been selected in previous years for the Villarreal CF North American Team and

have gone on to represent the club in high-level tournaments in Spain.”

Selection criteria for the camp extended beyond athletic performance, emphasizing adherence to Villarreal Houston’s core values: respect for the game, officials, and opponents.

This achievement reflects Villarreal Houston’s dedication to player development. The academy offers a unique pathway to professional soccer through its direct connection with Villarreal CF, setting it apart as a premier soccer program in Houston.
