EINPresswire.com/ -- Altered States Wellness Announces Grand Opening in Richardson on January 18th

Altered States Wellness Offers Float Therapy

Altered States Wellness is pleased to announce the grand opening of its newest location in Richardson, Texas, on January 18th, 2025. This marks the latest expansion for the wellness studio, which has become known for its focus on innovative therapies and immersive environments designed to support mental and physical well-being.

“

Our goal has always been to create spaces where people can not only reset but also connect, celebrate, and unlock their full potential.”

JoJo Struebing

The Richardson location will provide access to a variety of wellness services, including Float Therapy, Infrared Saunas, Red Light Therapy, Cold Plunges, PEMF Mats, and Compression Therapy. Each offering is aimed at fostering relaxation, recovery, and rejuvenation.

Richardson Welcomes Altered States Wellness

The Richardson community, with its mix of professionals, families, and students, offers an ideal setting for Altered States Wellness. Founder JoJo Struebing expressed enthusiasm for the location, noting, “Richardson’s vibrant and diverse population aligns perfectly with our mission to bring accessible and transformative wellness experiences to more communities.”

Grand Opening Details

The grand opening on January 18th will feature tours of the facility, where visitors can explore the uniquely designed spaces, such as themed float rooms and private therapy suites. Guests

will also learn about the services offered and the benefits they provide for stress relief, recovery, and overall wellness.

To celebrate, Altered States Wellness is introducing VIP Founding Memberships with special perks, including early facility access, lifetime discounted rates, and a welcome gift. These memberships are available on a limited basis leading up to the opening.
