

# MyPhysicianPlan Launches Tailored Travel Insurance for International Visitors to US

*MyPhysicianPlan launches travel insurance for international visitors to US, offering unrestricted care access, including chronic conditions and routine care.*

WILMINGTON, DE, UNITED STATES,  
November 26, 2024 /

EINPresswire.com/ -- In response to the growing need for comprehensive healthcare solutions for international travelers, [MyPhysicianPlan](#) has introduced a new travel insurance product designed to provide seamless medical coverage for visitors to the United States.

This plan allows me to focus entirely on addressing my patients' needs without the limitations typically imposed by other travel plans, ensuring they receive the quality care they deserve."

## Key Features of the Travel Insurance Plan

- **Unlimited Access to Primary Care:** Enrollees receive unlimited visits to a dedicated Primary Care Physician (PCP), ensuring consistent and personalized medical attention during their stay.
- **Extensive Network Coverage:** The plan includes access to a nationwide network of specialists, emergency rooms, and hospitals, facilitated through a national provider network and a major underwriter.
- **Customizable Coverage Options:** Visitors can choose hospitalization and emergency room coverage limits

between \$50,000 and \$200,000, allowing for flexibility based on individual healthcare needs.

- **Immediate Enrollment:** With a straightforward sign-up process and no waiting periods for routine medical care, travelers can secure coverage promptly.

## Bridging the Healthcare Gap for International Travelers

Traditional travel insurance plans often leave critical coverage gaps, leading to unforeseen medical expenses and compromised care quality. MyPhysicianPlan's travel insurance addresses these issues by offering a comprehensive solution that encompasses routine care, specialist consultations, emergency services, and hospitalization, ensuring travelers are well-protected

throughout their journey.

"As a primary care doctor, I often see the challenges international patients face due to the restrictions in traditional travel plans," said Dr. Saritha Regulapati, M.D, SR Medical Center. "This plan eliminates those barriers by providing unrestricted access for routine care and chronic conditions. It allows me to focus entirely on addressing my patients' needs without the limitations typically imposed by other travel plans, ensuring they receive the quality care they deserve."
