*Innovative Liquor Packaging Design
Recognized for Excellence by Prestigious
International Design Competition*

COMO, CO, ITALY, November 25, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected and well-recognized award in the field of [packaging design](#), has announced Langpai Tequ T9 as the Bronze winner in the Packaging Design category. This prestigious recognition highlights the exceptional design and innovation of Langpai Tequ T9, a newly upgraded high-quality liquor with a revamped bottle packaging created by [He Zhuang, Qiu Lina, Wang Bowei and Yu Jun](#).

The A' Packaging Design Award is highly relevant to the packaging industry, as it recognizes designs that not only showcase creativity but also align with current trends and needs. Langpai Tequ T9's recognition demonstrates its significance in advancing packaging design standards and practices, offering practical benefits to users, the industry, and other stakeholders through its innovative features and functionality.

Langpai Tequ T9 stands out in the market with its unique logo design combined with a five-grain pattern and a visually distinctive eight-sided glass shape. The overall design exudes a stylish and refreshed look, with intricate and dynamic patterns that symbolize the brand. The hand-written "Langpai" visually aligns with the traditional brewing characteristics, strengthening the brand impression and facilitating consumer recognition.

This recognition from the A' Packaging Design Award serves as motivation for the brand's team

to continue striving for excellence and innovation in future projects. It may inspire further exploration and advancement in packaging design, fostering creativity and pushing the boundaries of what is possible in the industry.

Langpai Tequ T9 was designed by a talented team consisting of He Zhuang, Qiu Lina, Wang Bowei, Yu Jun, and Wang Chaojun. Their collaboration and expertise were instrumental in creating this award-winning packaging design.
