“At Kyota, we're dedicated to enhancing wellness through cutting-edge innovation,” said Michael Milone, Vice President of Sales and Business Development at Kyota Massage Chairs. “Partnering with Best Buy to launch the Kyota Kizuna M688 allows us to deliver a truly exceptional relaxation experience to their customers. This chair exemplifies our mission to make the ultimate in wellness technology accessible to more people, especially during the holiday season.

The Kyota Kizuna M688 Dual Mechanism Massage Chair is designed to deliver unparalleled therapeutic relief, thanks to its innovative Dual Massage Mechanisms that work in

harmony to create a deeply soothing and effective massage experience. It's Smart Massage

program, powered by advanced AI and health sensors, seamlessly adapt to your unique needs, offering a fully customized experience. The chair also features Intelligent Voice Command, enabling effortless operation without needing to reach for the remote. For added comfort, the Kizuna includes lumbar cooling and heat functions, providing the perfect balance of temperature control to help ease sore muscles and reduce inflammation. Additionally, the chair offers three meditative music programs, harmoniously bringing the rhythm of your mind and body together to enhance relaxation. With its intuitive 7-inch touchscreen tablet and conveniently placed quick-access controls, the Kizuna ensures pure relaxation is always just a tap away, delivering an experience tailored to you.

The Kyota Kizuna M688 is not only a showcase of Kyota's commitment to wellness innovation but also an exceptional holiday gift. Be on the lookout for exciting holiday deals on BestBuy.com.
