

Power Diary Rebrands to Zanda with a Bold Vision for Health Practice Management

Power Diary rebrands to Zanda, a complete EHR & practice management solution with innovative tools, top security, and exciting 2025 updates!

SALT LAKE CITY, UT, UNITED STATES,
November 27, 2024 /

EINPresswire.com/ -- Power Diary, the trusted practice management software for health practitioners, [has rebranded as Zanda](#). This transition reflects the platform's growth into a complete Electronic Health Record (EHR) and practice management solution that drives business growth.

While the name and branding have changed, the company's ownership, management, team, and commitment to providing an exceptional practice management experience remain the same.

"A lot has changed since we started over 15 years ago, and our platform has grown into much more than a simple scheduling tool. The evolution to [Zanda](#) communicates the enthusiasm and 'zing' that sets us apart. Zanda is a software solution that covers everything from 'Z to A' and back again," stated Damien Adler, Co-Founder & Head of Customer Success.

Zanda is designed to help practitioners buzz through their busy work. With a user-friendly approach, the software builds on core values of reliability and innovation, providing an efficient and intuitive practice management experience.

Zanda includes comprehensive features—like scheduling, billing, note-taking, telehealth, and more—to make life easier for health practitioners and empower them to run their practice on

Zanda takes care of the busy work!
