

# Orthodontic Care for All Stages of Life at Kunik Orthodontics

*Since 1991, Kunik Orthodontics has been a trusted provider of premier orthodontic care in Austin, TX.*

AUSTIN, TX, UNITED STATES, November 25, 2024 /EINPresswire.com/ -- Since 1991, [Kunik Orthodontics](https://www.kunikortho.com) has been a trusted provider of premier orthodontic care in Austin, TX. With over 17,000 successfully completed cases, Dr. Kunik and his team are proud to offer cutting-edge orthodontic solutions for children, teens, and adults. Whether one is seeking Invisalign, braces, or innovative hybrid treatments, Kunik Orthodontics is committed to delivering customized care in a welcoming and state-of-the-art environment.

## Specialized Treatment for Adults

Kunik Orthodontics recognizes that adults often have unique orthodontic needs, such as bite alignment and smile aesthetics, without disrupting their lifestyle. Dr. Kunik specializes in creating wider, more symmetrical smiles and resolving even the most complex alignment issues. Treatment options include:

**Invisalign for Adults:** A discreet, clear aligner option for straightening teeth.

**Braces for Adults:** Durable and effective solutions for minor to major cases.

**Hybrid Treatment:** Designed for those who may not initially qualify for Invisalign, making aligners

accessible to all.

Each treatment is tailored to meet the patient's goals, and Invisalign and braces are priced equally for transparency and accessibility.

#### Compassionate Care for Teens

Dr. Kunik's personal experience as a parent informs his approach to teen orthodontics. Teens can feel self-assured and supported throughout their treatment, with a range of options such as:

Teen Invisalign: A nearly invisible straightening solution.

Teen Braces: Reliable solutions for alignment with durable metal brackets.

Hybrid Treatments for Teens: Expanding Invisalign eligibility for effective, personalized care.

Extra support is provided for issues like broken brackets or lost aligners at no additional cost, ensuring a smooth journey toward a confident smile.

#### Gentle, Conservative Care for Children

Orthodontic evaluations start as early as age 7 at Kunik Orthodontics. Dr.

Kunik uses conservative interventions to address early orthodontic concerns, ensuring optimal oral development and future smile success. Options include:

Invisalign First: A clear aligner solution tailored for young patients.

Children's Braces: A proven solution for correcting minor and major orthodontic issues.

Habit Appliances and Expanders: Designed to correct thumb-sucking, tongue habits, and narrow arches.

Parents can rest easy knowing their child's orthodontic care is proactive, effective, and aimed at long-term stability.
