

# MEGA International Recognized as a Leader in the 2024 Gartner® Magic Quadrant™ for Enterprise Architecture Tools

For the 16th year, Gartner® named MEGA International a Leader in the Magic Quadrant™ for EA Tools, citing HOPEX's vision and execution.

BOSTON, MA, UNITED STATES, November 26, 2024 /EINPresswire.com/ -- For the 16th

I believe that being named a Leader by Gartner for the 16th time is an honor, reflecting our HOPEX platform's strength, our team's dedication, and our customers' trust."

*Luca de Risi, CEO of MEGA International*

consecutive year, Gartner has named [MEGA International](#) a Leader in its Magic Quadrant™ for Enterprise Architecture Tools, for its HOPEX platform offering. Published on November 20th, 2024, and authored by Andreas Frangou, Andrew Gianni, Shubhangi Jena, Austin Steinmetz, the report evaluates 16 enterprise architecture companies based on their completeness of vision and ability to execute.

This year, MEGA introduced [HOPEX Aquila](#), a state-of-the-art SaaS platform designed as a highly secure, scalable, and adaptable solution that seamlessly integrates within a

company's IT ecosystem. Built on a robust foundation that grows with an organization, HOPEX Aquila focuses on accelerating return on investment, supporting organizations' digital transformation, and positioning them as future-ready enterprises.

MEGA has invested heavily in advancing [HOPEX Aquila](#) as a leading Enterprise Architecture tool with three primary focuses:

- Enhanced Experiences: Delivering an intuitive, user-friendly interface to elevate engagement and efficiency.
- Shortened Time to Value: Accelerating project delivery through powerful automation driven by generative AI and machine learning.
- Streamlined Decision-Making: Providing improved reporting and analytics for faster, actionable insights to support better strategic choices.

Magic Quadrant™ reports are a culmination of rigorous, fact-based research in specific markets, providing a comprehensive view of the relative positions of the providers in markets where

growth is high, and provider differentiation is distinct. Providers are positioned into four quadrants: Leaders, Challengers, Visionaries, and Niche Players.
