

Omni by Chenyang Yu and Xinyi Huang Wins Bronze in A' Outdoor Furniture Awards

Innovative Multifunctional Chair Omni Earns Prestigious Recognition in A' Design Award Competition

COMO, CO, ITALY, November 26, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- The A' Design Award, a highly respected and well-recognized award in the field of [outdoor furniture](#) design, has announced Omni by [Chenyang Yu and Xinyi Huang](#) as the Bronze winner in the Garden and Outdoor Furniture Design category. This prestigious recognition highlights the exceptional design and innovation of Omni within the competitive outdoor furniture industry.

Omni's award-winning design aligns perfectly with the growing appreciation for outdoor experiences in the post-

pandemic era. As more traditional indoor activities shift to outdoor settings, Omni addresses the need for versatile and flexible furniture that enhances human interaction and expands outdoor possibilities. Its unique combination of seating and tabletop functionality, along with its aesthetic appeal, makes it a highly relevant solution for today's outdoor furniture market.

What sets Omni apart is its innovative design that seamlessly transitions between a comfortable seating option and a functional tabletop through simple rotation. The curvy silhouettes and organic shapes, carefully crafted with ergonomic considerations, offer optimal comfort in various seating positions. When rotated, Omni provides a suitable height for table use, making it a truly versatile piece. Its lightweight construction allows for effortless movement and arrangement, further enhancing flexibility and comfort in outdoor spaces.

The Bronze A' Design Award recognition serves as a testament to Chenyang Yu and Xinyi Huang's

Omni

dedication to creating impactful and innovative designs. This achievement is expected to inspire future projects and drive the duo to continue pushing boundaries in the outdoor furniture industry. By showcasing their ability to blend form and function effectively, Omni sets a new standard for multifunctional outdoor furniture design.

Omni was designed by the talented duo of Chenyang Yu and Xinyi Huang, who collaborated closely throughout the design process. Chenyang Yu's expertise in crafting intricate and organic shapes perfectly complemented Xinyi Huang's deep understanding of architectural principles and commitment to innovative solutions.

Interested parties may learn more about Omni and its award-winning design by visiting the dedicated page on the A' [Design Awards](#) website. The page showcases the intricacies of the design, provides insights into the designers' creative process, and offers opportunities for further engagement.

About Chenyang Yu and Xinyi Huang

Chenyang Yu and Xinyi Huang are independent designers based in New York and Miami, United States. They first crossed paths during their university studies and discovered a shared passion for the dynamics of social demand and the impact of design on public spaces. Known for their expertise in crafting intricate and organic shapes, Chenyang and Xinyi specialize in creating elegant designs that seamlessly integrate with their surroundings. Their collaborative approach brings together creativity and technical proficiency to deliver impactful designs that resonate with diverse communities.

About Bronze A' Design Award

The Bronze A' Design Award recognizes outstanding designs that showcase a high degree of creativity and practicality. It acknowledges the dedication and skill of designers who produce work that stands out for its thoughtful development and innovative use of materials and technology. Winning designs are celebrated for their professional execution and potential to positively influence industry standards. The Bronze A' Design Award is a prestigious recognition granted to designs distinguished by their creativity, ingenuity, and astuteness in the Garden and Outdoor Furniture Design category.

About A' Design Award

The A' Design Award is an international and juried design competition that has been recognizing and promoting superior products and projects since 2008. Now in its 16th year, the A' Design Award brings together a diverse pool of participants from all industries and countries, including distinguished designers, inventive agencies, progressive companies, and influential brands. By participating in this prestigious award, entrants have the opportunity to showcase their creativity, gain worldwide exposure, and be acknowledged for their exceptional design skills. The ultimate aim of the A' Design Award is to make the world a better place through the transformative power of good design, motivating designers and brands to develop superior

products and projects that positively impact the global community. Interested parties may learn more about the A' Design Awards, explore jury members, view past laureates, and participate with their projects at <https://goldenoutdoorfurnitureawards.com>
