- **Why:** To simplify and enhance the military verification process, allowing users to enjoy tailored benefits without compromising privacy.
- **Who Benefits:** Members of the U.S. Armed Forces, veterans, and their families who trust Military Connect for personalized services, as well as partner brands looking to improve user engagement and loyalty.

A Shared Vision of Innovation and Support

The idea for Military Connect® was conceived by Retired U.S. Army Lieutenant Colonel Kevin Sullivan, founder and CEO of Military Connect, who collaborates with numerous brands, services, military organizations, and military charities to further his company's mission of "Every Day is Veterans Day."

"This partnership is a significant step forward in our mission to serve the military community," said Sullivan. "By combining Military Connect's deep understanding of military needs with Magic Agents' innovative technology, we're redefining how U.S. military members access their well-deserved benefits. Together, we're creating a seamless and secure experience that puts the needs of our community first."

Echoing this sentiment, Magic Agents' leadership emphasized their commitment to delivering innovation and trust to military families. By leveraging their unique technologies and expertise, the partnership aims to create a scalable and future-proof solution that serves both individuals and brands within the military ecosystem.

"We're thrilled to partner with Military Connect to simplify how U.S. military users access exclusive offers while protecting their personal information," said Thanasis Mandaltsis, Founder of Magic Agents. "This collaboration ensures military families receive well-earned benefits without unnecessary friction or invasive tracking. We look forward to building on this partnership."

About Military Connect®:
