EINPresswire.com/ -- [Progress Residential](#), a leading provider of professional property management services for rental homes in the U.S., proudly announced today that it has received a Gold Award for [Military Friendly®](#) Workplace designation for 2025, earning a spot in the Top 10 in several categories for the fourth consecutive year:

Brandon Parise, Chief Human Resources Officer at Progress Residential

Top 10 Military Friendly Company Award, #6
Top 10 Military Spouse Friendly Employer Award, #5
Top 10 Military Friendly Brand Award, #2

This recognition underscores Progress Residential's dedication to creating meaningful career opportunities for the military community, where service members can thrive, develop their skills, and advance their careers.

“At Progress Residential, we're honored to work with military veterans, whose accountability, determination, and

leadership greatly enrich our company culture,” said Brandon Parise, Chief Human Resources Officer at Progress Residential. “We are deeply grateful for their service to our country, and we remain committed to fostering a supportive environment where they can continue to grow, contribute, and achieve their career goals.”

Progress was selected alongside other honorees from over 1,200 companies participating in the annual Military Friendly® survey, evaluated based on public data sources and responses from a proprietary survey focused on military support and hiring practices.

Methodology, criteria, and weightings were determined by VIQTORY with input from the Military Friendly® Advisory Council of independent leaders in the military recruitment community. Final

ratings were determined by combining an organization's survey score with an assessment of the organization's ability to meet thresholds for Recruitment, New Hire Retention, Employee Turnover, and Promotion & Advancement of veterans and military employees.

"Organizations earning the Military Friendly Employers designation have wholeheartedly invested in comprehensive and impactful initiatives that bring about positive, life-changing results for our valued service members, dedicated military spouses, and esteemed veterans within their ranks," said Kayla Lopez, Senior Director of Military Partnerships at Military Friendly®. "We salute these exemplary employers who raise the bar and understand that hiring military personnel is not merely an act of goodwill but a testament to a standard that truly embodies sound business wisdom. Their steadfast commitment to integrating military personnel into their workforce not only reflects their compassion but also underscores their business acumen."

Progress Residential will be featured with other 2025 Military Friendly® Employers in the Winter issue of [G.I. Jobs®](#) magazine and on [MilitaryFriendly.com](#).
