DAVIE, FL, UNITED STATES, November 26, 2024 /EINPresswire.com/ -- Brownie's THIRD LUNG, a trusted name in dive innovation since 1969, is making waves this holiday season with Black Friday deals that bring incredible savings and exciting perks to divers everywhere. Together with their sister company, [BLU3](#), they're offering amazing ways to upgrade the dive experience.

Brownie's THIRD LUNG has been at the forefront of diving technology for over five decades. This year, they're spotlighting the [SeaLion™](#), a battery-powered dive system that allows three divers to explore underwater for up to three hours. For Black Friday, every purchase of a SeaLion™ Standard or Pro Package includes a FREE water-resistant 50AH spare battery and carry case—a \$1,525 value. Perfect for families, friends, or dive buddies who want a top-tier diving experience.

For customers with older gas-powered dive systems, Brownie's THIRD LUNG is offering an exclusive opportunity: bring your system to their new factory, and their service techs will evaluate it. Customers may even receive credit toward a SeaLion™ purchase, making this promotion even better!

The factory is located at:
