About Robert Jon & The Wreck

From Southern California, Robert Jon & The Wreck take the Southern rock sound from the East Coast and make it their own. Since their inception in 2011, these native Californians; Robert Jon Burrison (lead vocals, guitar), Andrew Espantman (drums, background vocals), Henry James Schneckluth (lead guitar, background vocals), Warren Murrel (bass) and Jake Abernathie (keyboards) have been electrifying audiences all over the world with their soaring guitar leads, rich vocal harmonies, and memorable tunes. Simply put, it is difficult to ignore when these talented musicians take the stage.

Little wonder they have made an impact on audiences across the world, where they've played a run of sold-out shows and proudly shared bills with talent the likes of Joe Bonamassa, Blackberry Smoke, Peter Frampton, Joanne Shaw Taylor, The Mavericks, Buddy Guy and Rival Sons. 2020's 'Last Light On The Highway' garnered worldwide acclaim for the band and 2021's 'Shine A Light On Me Brother' continued their upward trajectory, leading to a collaboration with Blues Rock Titan Joe Bonamassa's Journeyman Records, which paved the way for even more new and exciting music. Most recently they released 'Ride Into The Light' a dynamic, multi-faceted album featuring material produced by GRAMMY-Award winners Don Was (Bonnie Raitt, The Stones, John Mayer) and Dave Cobb (Chris Stapleton, Brandi Carlile, Blackberry Smoke, Rival Sons), Kevin Shirley (Iron Maiden, The Black Crowes), along with guitar virtuosos Joe Bonamassa and Josh Smith. This eclectic mix enabled the band to attain new heights in their musicianship and songwriting skills, evoking the timeless sound of classic bands such as The Allman Brothers Band, Eagles, and Lynyrd Skynyrd.

2023 also saw the release of 'Live At The Ancienne Belgique,' their first official live concert film spanning the last decade of their exceptional career, which Music News called, "one of the best live albums I have heard in years."
