*ProStockHockey.com celebrates 10 years of premium NHL gear with a Black Friday sale! Save big on sticks, jerseys, skates, & more Nov 28 - Dec 2!*

CHICAGO, IL, UNITED STATES, November 27, 2024 /EINPresswire.com/ -- [ProStockHockey.com](https://ProStockHockey.com), the premier online destination for pro stock hockey equipment, is celebrating its 10th anniversary this year. From its humble beginnings as a startup solving the NHL's excess equipment challenges, the company has grown into a trusted name for hockey players worldwide, with over 100,000 loyal customers and more than 175,000 hockey sticks sold.

In honor of this milestone, ProStockHockey.com is inviting hockey fans to join the celebration with an exclusive Black Friday sale, offering unbeatable deals on their extensive selection of NHL player gear, including sticks, jerseys, gloves, pants, helmets, and skates.

## A Decade of Game-Changing Innovation

Founded in 2014 by hockey enthusiast and entrepreneur David Duerr, ProStockHockey.com identified a unique niche in the hockey world: the surplus professional equipment that NHL teams didn't use. Duerr turned what was once a locker room headache into a thriving e-commerce business, offering amateur players access to the same elite-level gear used by the pros—at a fraction of the retail price.

"Over the last 10 years, our mission has remained the same: to make premium hockey equipment more accessible to players while supporting NHL teams by simplifying their inventory management," says Duerr. "We couldn't have achieved this success without the unwavering support of the hockey community, from NHL equipment managers to our incredible customers."

## Black Friday Sale Details

This Black Friday, ProStockHockey.com is giving players the opportunity to stock up on their favorite gear at discounted prices. Highlights of the sale include:
