

iFLYTEK's Most Advanced Smart Notebook Yet, the AINOTE Air 2, Gets a Black Friday Discount

Advanced notebook with voice-to-text, handwriting recognition, and organizational tools, now \$439 for a limited time.

SILICON VALLEY, CA, UNITED STATES, November 27, 2024 /

EINPresswire.com/ -- iFLYTEK, a global leader in artificial intelligence and speech technology, is offering a special Black Friday discount on its AINOTE Air 2 smart notebook. The device, originally priced at \$549, is currently available for \$439, a savings of 20%.

The AINOTE Air 2 is designed to streamline note-taking and enhance productivity for everyone – from students and professionals to tech enthusiasts, journalists, creatives, and anyone who wants to capture their thoughts and ideas effortlessly. It features advanced voice-to-text

capabilities with multi-language support, speaker identification, and intuitive tools for organizing and reviewing notes. With its sleek design and long-lasting battery, the AINOTE Air 2 is the perfect companion for meetings, lectures, interviews, and brainstorming sessions, empowering users to focus on the moment while preserving every important detail.

Key Features of the AINOTE Air 2:

- Real-time voice-to-text with multi-user mode: The AINOTE Air 2 accurately transcribes meetings and lectures in multiple languages, capturing every word spoken by each participant. This feature ensures comprehensive and accurate records of discussions and presentations.
- Integrated audio recording: Users can synchronize handwritten notes with corresponding audio

Stay organized and boost your productivity with the AINOTE Air 2's advanced features, including multi-language transcription and cloud synchronization.

recordings, creating a comprehensive record of meetings, lectures, or interviews. This integration helps to capture nuances and context that may be missed in written notes alone.

- Handwriting-to-text conversion: The device seamlessly converts handwritten notes into editable and searchable digital text. This functionality allows for easy sharing, organization, and integration of notes with other applications, enhancing workflow efficiency.

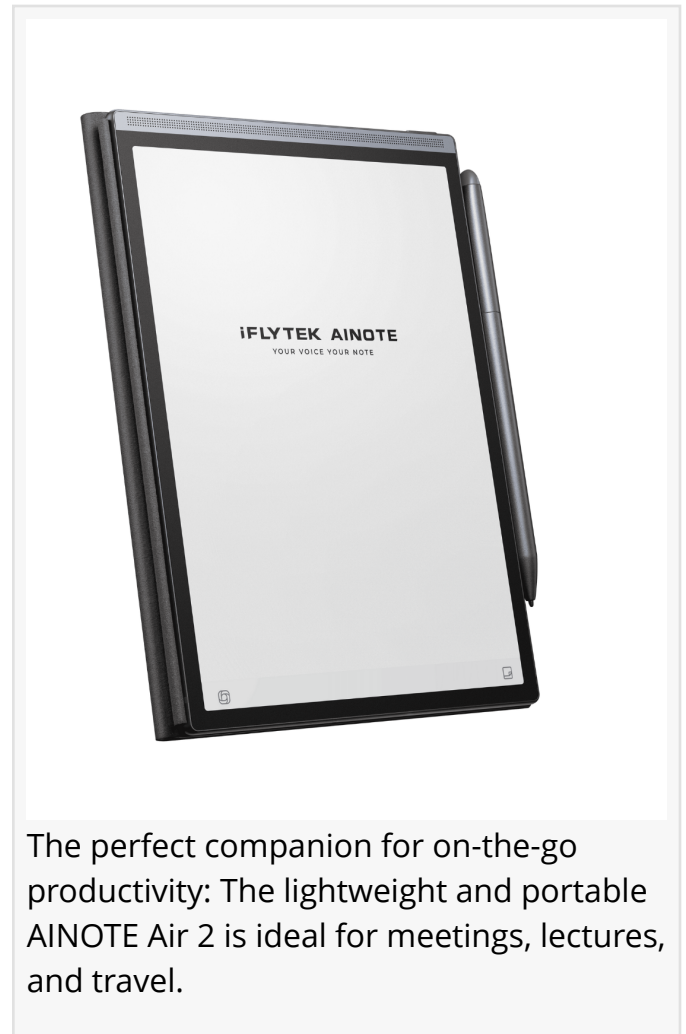

- Advanced organization tools: The AINOTE Air 2 includes features for graphic annotations, schedule management, and report generation. These tools empower users to effectively manage their time and tasks, improving productivity and organization.

- Cloud synchronization: Notes are securely stored and accessible across multiple devices through cloud synchronization. This ensures data security, provides peace of mind, and enables uninterrupted workflow from any location.

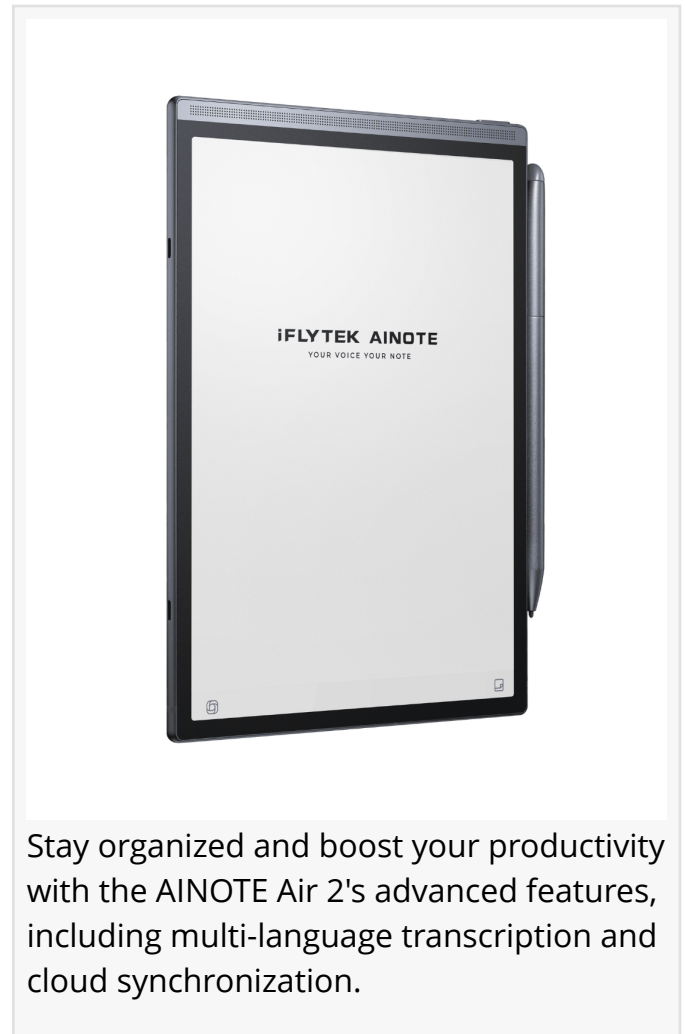

- Built-in document scanner: The integrated iFLYTEK DocScan feature quickly digitizes paper documents, reducing clutter and streamlining document management. This functionality allows users to easily incorporate physical documents into their digital workflow.

The Black Friday promotion runs from now through December 2, 2024, on iFLYTEK's official website and on [Amazon](#).
