centralised system to streamline underwriting processes, enhancing collaboration, transparency, and compliance. This has led to a 40% reduction in underwriting processing time and a 30% increase in operational efficiency, benefiting users across Europe and Asia-Pacific. This solution exemplifies BIG's commitment to empowering insurers with intelligent automation that drives measurable outcomes.

“Our team is thrilled to receive the Appian Europe 2024 Industry Award for Insurance,” said Vivek Saluja, CEO of Bits In Glass UK division. “Winning this award is a

testament to our commitment to innovation in the Insurance & Reinsurance industry. This recognition reflects the dedication of our team, the trust of our clients and partners, and the impact our solutions have made in reshaping the future of global Insurance. We are proud to be a part of this evolution and remain focused on driving further advancements that empower the

industry.”

The awards were officially announced on December 3, 2024, during the Appian Europe plenary session in London, UK.
