

Morgan Lewis Releases Second Memoir-Cookbook, 'Beets, Bacon, & Bad Dates'

ATLANTA, GA, UNITED STATES, December 3, 2024 /EINPresswire.com/ -- Morgan Lewis, creator and owner of the lifestyle brand Morgan Creates, is proud to announce the launch of her sophomore cookbook, "Beets, Bacon & Bad Dates: A Culinary Love Story." Part memoir, part cookbook, "Beet's, Bacon & Bad Dates" takes readers on a journey of love and self-discovery accompanied by 26 new recipes that reflect the sweet, the sour and all the flavors in between on this journey we call life.

Following the success of her first self-published cookbook, "The Basics for Amateurs," Lewis' new cookbook crafts a culinary journey reflective of her life. From sweet lessons in love accompanied by blueberry cheese danishes to explorations of familial connections and self-love with delectable dishes like Cubano Tortellini Pasta Salad and a classic apple pie, "Beets, Bacon & Bad Dates: A Culinary Love Story" dishes up more than just recipes, but the core memories of family dinners, celebrations, quiet nights alone and moments of comfort when needed most.

"My new cookbook is more than a collection of recipes," says Lewis. "It's a journey through love, heartbreak, and growth, where each chapter serves up a delicious dish alongside raw, relatable reflections on life. I want to invite readers into my personal story, relatable stories about growing up, heartbreak, and the truly soul-sustaining memories of life, all woven together through unforgettable meals and meaningful moments connecting food to the heart."
