

WILBY.AI Introduces THINK1.AI: Seamlessly Translating Audio and Video into 165 Languages for Global Advertising

"Advertising in today's global economy requires more than just translation—it demands a deep understanding of cultural and linguistic nuances, Said: Simon Wilby

LAS VEGAS, NV, UNITED STATES,
November 29, 2024 /

EINPresswire.com/ -- WILBY.AI is proud to unveil THINK1.AI, its revolutionary platform designed to break language barriers and transform global advertising. THINK1.AI offers seamless translation and localization of video and audio content in 165 languages, enabling brands to connect with audiences worldwide authentically.

Simon Wilby founder of WILBY.AI

With THINK1.AI, businesses can tell their stories in a way that resonates deeply with diverse markets, ensuring linguistic accuracy and cultural relevance.

Breaking Barriers, Building Bridges:

"At Wilby.AI, we're not just breaking language barriers—we're building bridges that connect brands to the world," said Simon Wilby, Founder & CEO of Wilby.AI. "Our mission is to empower businesses to tell their stories authentically in every language, culture, and market they touch." Now, watch any video ad in your language, transforming global advertising and reaching audiences like never before."

Multilingual Mastery: THINK1.AI provides precise, AI-driven translations for audio and video content in 165 languages, ensuring every word and nuance is perfectly localized.

AI-Powered Learning: The platform continuously refines its capabilities, adapting to industry-specific language needs and evolving global trends.

"With THINK1.Ai, we're not just breaking language barriers—we're building bridges that connect brands to the world.

— Simon Wilby, Founder & CEO of Wilby.Ai"

Abbie Rossi

Designed for Every Industry
