

Time of Nature by Rui Tian Wins Bronze in A' Interior Design Awards

Rui Tian's Exceptional Four-Story Bungalow Design Recognized for Its Unique Blend of Traditional Style and Modern Comfort

COMO, CO, ITALY, December 2, 2024 /EINPresswire.com/ -- [Rui Tian](#) has been honored with the prestigious Bronze A' [Design Award](#) in the [Interior Space and Exhibition Design](#) category for the exceptional design of "Time of Nature," a four-story bungalow located in Shanghai. The A' Design Award is a highly respected recognition in the field of interior design, celebrating innovative and outstanding designs from around the world.

The "Time of Nature" design showcases the unique advantages of traditional Shanghai style, with comfortable floor heights, regular layouts, and charming front and back courtyards. This award-winning design demonstrates the relevance of incorporating traditional elements into modern living spaces, creating a harmonious blend of comfort and aesthetics that resonates with contemporary lifestyles and needs.

Rui Tian's design stands out for its highly personalized functional layout, which caters to the diverse needs of leisure, work, and living. Each floor is thoughtfully themed, featuring a dining and reception area, a reading and meditation space, a leisurely drinking space, and a peaceful bedroom space. The design incorporates natural elements, such as old wood and antique furniture, to create a tranquil atmosphere that brings users closer to nature within the comfort of their "second residence."

The recognition from the A' Interior Design Awards serves as a testament to Rui Tian's

exceptional design capabilities and commitment to creating spaces that enhance the quality of life. This achievement is expected to inspire future projects and collaborations, as Rui Tian continues to push the boundaries of interior design while maintaining a deep respect for traditional elements and craftsmanship.

Time of Nature was designed by Rui Tian, who played a crucial role in conceptualizing and executing this award-winning project.
