

iFLYTEK Announces Extended Availability of Special Pricing on AINOTE Air 2 Smart Notebook

Experience the future of note-taking with the AINOTE Air 2! AI-powered features, now at a holiday discount.

NEW YORK, NY, UNITED STATES, December 3, 2024 /EINPresswire.com/ -- iFLYTEK, a global leader in artificial intelligence and speech technology solutions, today announced an extension of its holiday savings on the AINOTE Air 2 smart notebook. Starting December 3rd, customers can obtain a \$60 discount on the device by claiming a coupon available on iFLYTEK's official website and [Amazon](#).

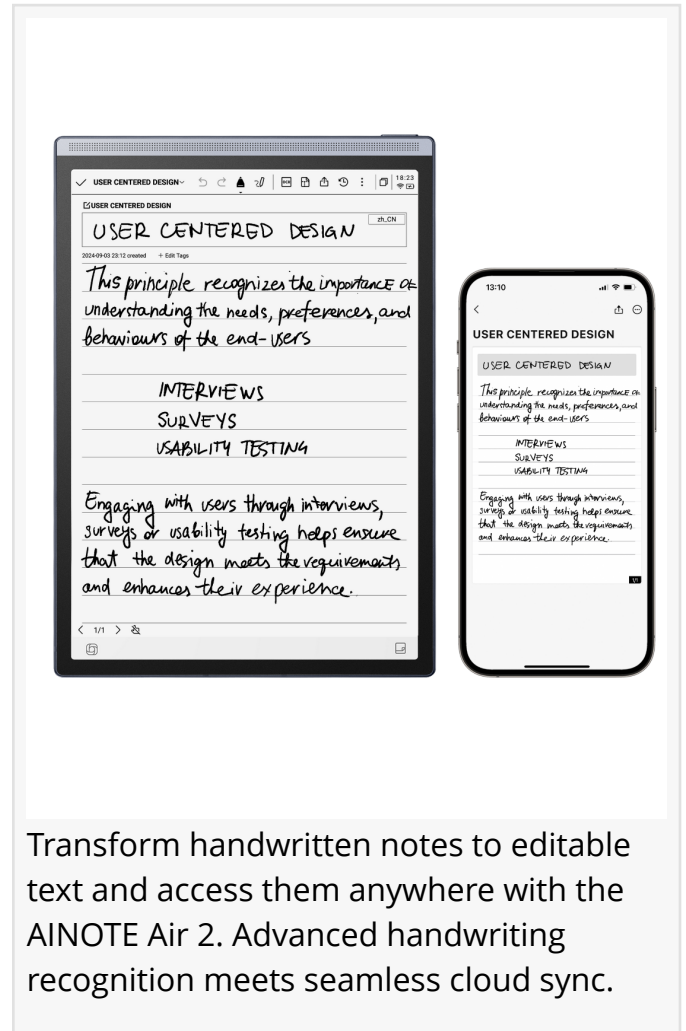

This new deal follows a successful Cyber Monday promotion, where strong consumer demand for the AINOTE Air 2 prompted iFLYTEK to continue offering the device at a reduced price.

The AINOTE Air 2 seamlessly integrates handwriting with powerful AI-driven features to enhance productivity and creativity:

- **Voice-to-Text Transcription:** Accurately transcribes speech in multiple languages using iFLYTEK's industry-leading speech recognition technology, even in multi-user environments.
- **Handwriting-to-Text Conversion:** Effortlessly converts handwritten notes into editable and searchable digital text.
- **Integrated Audio Recording:** Synchronizes handwritten notes with audio recordings for a comprehensive record of meetings, lectures, and creative brainstorming.

Additional features include:

- **Organization Tools:** Provides a suite of features for graphic annotations, schedule management, and report generation.

- Cloud Synchronization: Securely stores notes and provides access across multiple devices.
- Document Scanner: Includes a built-in DocScan feature to quickly digitize paper documents.

The \$60 coupon for the AINOTE Air 2 will be available on iFLYTEK's official website and Amazon starting December 3rd at 12:00 AM PST.

About iFLYTEK

iFLYTEK is a leading provider of artificial intelligence and speech technology solutions. The company develops innovative products and services that empower individuals and organizations in the education, healthcare, and business sectors.
