About Hair Loss and GetHairMD's Solutions

□ Hair loss affects over 50% of adult men and over 40% of adult women, often causing emotional distress and impacting self-confidence.

□ GetHairMD offers a variety of personalized solutions for patients battling hair loss.

□ These solutions range from non-invasive treatments including laser therapy, topical medications, at-home therapies to minimally invasive hair grafting.

□ GetHairMD is one of the first in the United States to offer FDA-cleared TransDermal Infusion for hair loss, delivering a specially formulated serum directly into the scalp for superior results.

“Dr Clifton’s well-earned reputation as a top dermatologist and laser surgeon leading one of the most respected aesthetic practices in Arkansas is why we are thrilled to partner with Dr. Clifton” said Paul Herchman, GetHairMD, CEO. “Our mission is to partner with leading physicians nationwide to bring our clinically proven, effective noninvasive hair restoration solutions to as many patients as possible.”

MD Hair Labs & Vitality is dedicated to providing exceptional patient care and personalized treatment plans. By adding GetHairMD’s hair restoration services, the practice continues to elevate its offerings and provide comprehensive solutions for a wide range of aesthetic concerns.
