The Message

Put the Guns Down: A World Epidemic has garnered international acclaim for its unfiltered storytelling, earning numerous awards and accolades. The documentary presents deeply moving testimonies from survivors, family members, and advocates, offering a compelling narrative that challenges viewers to understand the human toll of gun violence.

“We wanted to make a film that goes beyond awareness to inspire real change,” said Terry C. Carney, Sr. “By bringing these stories to light, we’re building a platform for understanding and, hopefully, for progress.”

Ice-T adds, “This documentary is about community, about empathy. Gun violence isn’t just one community’s problem—it’s everyone’s problem.”
