

# Trendi by Artur Konariev Wins Bronze in A' Mobile Technology Awards

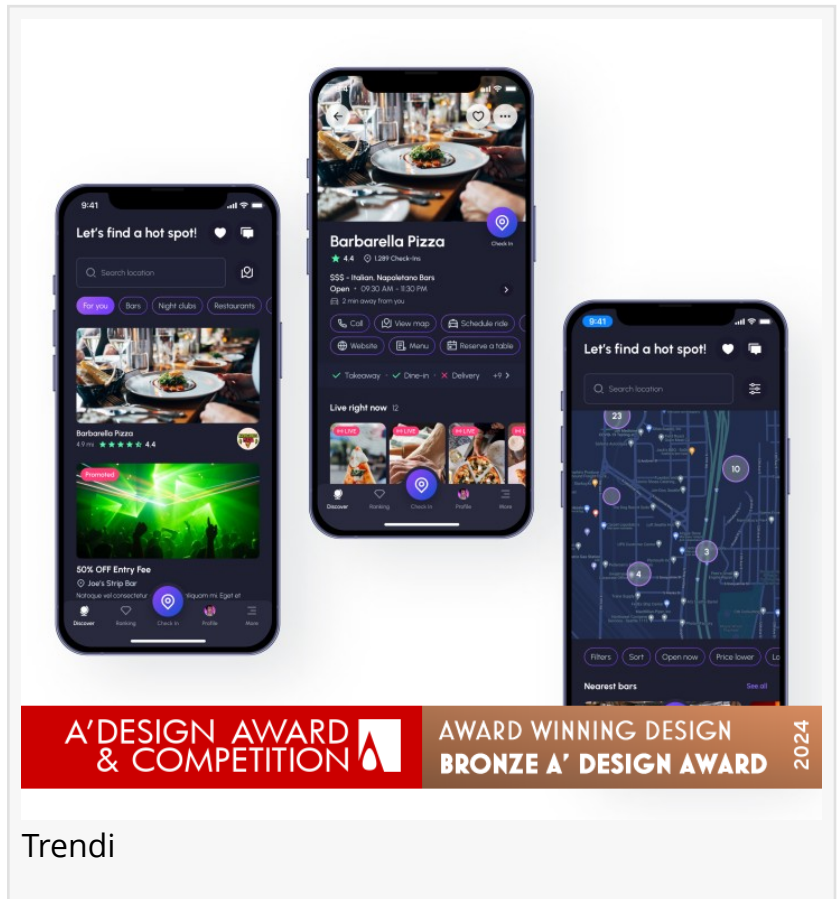

*Innovative mobile application Trendi receives prestigious Bronze A' Design Award in Mobile Technologies, Applications and Software Design category.*

COMO, CO, ITALY, December 3, 2024 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected award in the field of [mobile](#) design, has announced Trendi by [Artur Konariev](#) as the Bronze winner in the Mobile Technologies, Applications and Software Design category. This prestigious recognition highlights the significance of Trendi's innovative design within the mobile industry, positioning it as a noteworthy achievement in the field.

Trendi's award-winning design showcases its relevance to current trends and needs within the mobile industry. By prioritizing an intuitive and user-friendly experience for both consumers and business owners, Trendi aligns with industry standards and practices while offering practical benefits to its users. This recognition underscores the app's utility and innovation in the mobile market.

What sets Trendi apart is its ability to cater to the diverse needs of different user groups seamlessly. The clean, modern interface and easy navigation allow consumers to find and explore new businesses, browse reviews, and make informed decisions. Simultaneously, business owners can showcase their products and services effectively, attracting potential customers through the platform's well-designed features.

The Bronze A' Design Award serves as a motivation for Trendi's team to continue striving for excellence and innovation in future projects. This recognition may foster further exploration and

Trendi

development within the brand, inspiring the creation of even more user-centric and impactful mobile solutions that align with industry standards and user expectations.

#### About Artur Konariev

Artur Konariev is a skilled designer from Ukraine who specializes in design thinking, developing user-friendly interfaces, and employing a creative approach. With a focus on providing modern content design that helps customers' businesses grow rapidly, Artur is dedicated to working on business objectives for both multinational corporations and small independent companies.

#### About Trendi

Trendi is an online platform that connects people with local businesses, helping users find and connect with great restaurants, clubs, bars, and more. The mobile app offers a range of features, including search functionality, user reviews, photos, and directions. Trendi also provides business owners with tools to manage their information, respond to reviews, hire influencers, and advertise to targeted audiences, ensuring a cost-effective way to reach local customers.

#### About Bronze A' Design Award

The Bronze A' Design Award recognizes designs that demonstrate a high level of creativity and practicality in the Mobile Technologies, Applications and Software Design category. Winners are acknowledged for their professional execution and potential to positively influence industry standards. The award highlights the designer's ability to effectively combine form and function, offering solutions that enhance user experiences. Winning designs are selected based on criteria such as user interface clarity, responsive design efficiency, innovation in functionality, aesthetic appeal, ease of navigation, security measures, performance optimization, and more.

#### About A' Design Award

The A' Mobile Technologies, Applications and Software Design Award is a prestigious competition that recognizes exceptional design work from a diverse range of participants, including mobile designers, agencies, companies, and brands. By participating, entrants showcase their creativity and gain international recognition for their remarkable mobile design capabilities. The A' Design Award, organized annually since 2008, is an international and juried design competition open to entries from all countries and industries. Its ultimate aim is to recognize and promote superior products and projects that advance and benefit society, contributing to the creation of a better world through the power of good design.
