

Equator Advanced Appliances Debuts the WRD2 108 Combo Wine Refrigerator with Triple Temperature Zones

HOUSTON, TX, UNITED STATES, December 3, 2024 /EINPresswire.com/ -- Equator Advanced Appliances proudly presents the WRD2 108 [Combo Wine Refrigerator](#), a sophisticated solution for wine enthusiasts and collectors. Designed with luxury, functionality, and versatility in mind, this refrigerator offers a spacious 17-cubic-foot capacity to accommodate up to 84 bottles of wine, along with two dual-temperature drawers for additional beverage and food storage.

The WRD2 108 is tailored to suit the needs of connoisseurs with its innovative triple temperature zone system. The top three shelves are optimized for white wines, maintaining a temperature range of 41°F to 54°F, while the lower three shelves cater to red wines, with a range of 54°F to 65°F. Complementing the wine storage are two spacious refrigerator drawers—offering 2.5 and 2.4 cubic feet of capacity, respectively—ideal for storing beverages, snacks, or other delicacies.

Standing at 72 x 26 x 23 inches (HxWxD), this unit is versatile enough for freestanding or built-in installation, making it a seamless addition to kitchens, wine rooms, cellars, or basements. The sleek stainless steel finish, anti-UV glass shields, and recessed handle contribute to its modern aesthetic, while reversible doors and adjustable shelves provide added flexibility.

Wine and beverage collections are showcased beautifully with the WRD2 108's interior lighting options. Seven vibrant LED colors allow you to customize the illumination of the main compartment, while the drawers feature dedicated LED lighting for enhanced visibility. A touch control panel offers effortless management of temperatures and settings, and auto-defrost

The advertisement features a dark green background with a white smartphone frame on the left containing an image of the refrigerator. To the right, the text reads "EQUATOR'S WRD2 108" in white, followed by "Combo Wine Refrigerator + 2 Drawers Refrigerator" in orange. Below this is a white box with the heading "FEATURES" and a list of four items: "108 BOTTLES", "HYBRID TRIPLE TEMPERATURE ZONE", "7 COLOR LED LIGHTS", and "TOUCH CONTROL", each preceded by a green checkmark. A red button below the list says "BUILT-IN / FREESTANDING". At the bottom right is a QR code with the text "SCAN FOR DETAILS". The Equator logo and "AMERICAN APPLIANCE" logo are at the top, and the website "www.EquatorAppliances.com" is at the bottom.
