

# Traffic Cones For Less Secures Crowd Control & Line Management Contract with Broward County Aviation Department -FLL

*Florida WBENC Business Wins Airport Bid to Secure Prestigious Contract Edging out Major Players to Provide Line Dividers for FLL Airport for the next 3 Years*

POMPANO BEACH, FL, UNITED STATES, January 7, 2025 /EINPresswire.com/ -- OES Global Inc., a WBENC-certified provider of [traffic safety](#) and crowd control solutions, has been awarded a three-year contract by the Broward County Aviation Department under Bid# [OPN2183441B1](#). The contract will supply [custom](#) stanchions and line dividers to Fort Lauderdale-Hollywood International Airport (FLL) and other regional facilities, enhancing passenger flow and safety at one of Florida's busiest transportation hubs.

“

This award underscores OES Global's TrafficConesForLess.com brands expertise in designing and delivering high-quality solutions that meet the needs of major airports at extremely competitive pricing”

*Melissa Schechter CEO*

The deal marks a pivotal moment for OES Global, whose TrafficConesForLess.com brand is known for delivering tailored, value-driven solutions to complex, high-traffic environments. The custom stanchions and line dividers are designed to streamline airport operations while improving the overall passenger experience.

“This award recognizes the importance of innovative solutions in maintaining safety and efficiency at high-traffic facilities,” said Melissa Schechter, CEO of OES Global Inc. “We're honored to partner with Fort Lauderdale-Hollywood International Airport and look forward to supporting its operational excellence.”

As FLL continues to see record-breaking passenger numbers, the introduction of customized crowd control solutions is part of a broader strategy to improve airport operations. The line dividers, featuring custom branding and cutting-edge design, are set to enhance wayfinding and reduce congestion during peak travel times.

OES Global's expertise in delivering bespoke products is a cornerstone of its success. Recent projects include branded traffic cones for high-profile events and luxury brands, as well as Pantone-matched cones for corporate clients. The FLL contract extends this commitment to customization, ensuring the airport's operational needs are met with precision.

### A Landmark Year for OES Global

#### The Broward County Aviation

Department contract caps an exceptional year for OES Global, which has expanded its footprint in the transportation and hospitality sectors. Other notable wins in 2024 include:

**Avendra Contract:** A nationwide agreement to supply over 13,000 locations with parking, pedestrian, valet, and traffic safety products.

**Miami Dade Traffic Cone Bid:** A five-year contract providing traffic safety solutions for Miami Dade County, including key infrastructure sites like the Port of Miami and Miami International Airport (MIA).

These achievements reflect OES Global's growing role as a trusted partner for both government and commercial clients, cementing its reputation for reliability and innovation.

### Focus on Aviation Industry Growth

With the aviation industry under pressure to improve passenger flow and safety, OES Global's partnership with FLL is a timely response to growing demand for efficient, scalable solutions. The company's portfolio includes products tailored to the unique challenges of airports, from queue line systems to customized safety signage.

OES Global Wins Prestigious FLL Aviation Bid

TrafficConesForLess Custom Branded Cones

“This contract underscores the vital role of crowd control in modern airport management,” said Schechter. “Airports like FLL require solutions that balance operational efficiency with passenger comfort, and we’re proud to contribute to that mission.”

## Looking Ahead to 2025

Following a year of significant milestones, OES Global is setting ambitious goals for 2025, including the expansion of its aviation product line and the launch of new customizable safety solutions. The company aims to continue driving innovation while maintaining its commitment to quality and service.
