A huge thank you to all the teams, players, parents, and coaches for their dedication and support. These individuals are the heart of this event, and it would not have been a success without their participation and support.

Special thanks is extended to former Club América player Reinaldo Navia and Aldo Quiroz, host of Furia Deportiva on TUDN Houston, for their incredible appearances and inspiring all of the young athletes with their presence and stories.

At ProChallenge, their vision goes beyond helping athletes improve their skills on the field. While the ProChallenge team strives to elevate every player's performance, their primary objective is to support their community by positively influencing the lives of the youth throughout the
