Pitch Your Niche Competition

One of the event's highlights, the Pitch Your Niche Competition, invites participants to present their unique business ideas or ventures for a chance to win a \$500

prize. Contestants will pitch their niche to the panel of expert judges, showcasing creativity, innovation, and their plan for success.

Participants must register in advance to secure a spot in the competition, as spaces are limited. Whether you're a budding entrepreneur or a seasoned professional with a fresh idea, this is your opportunity to shine and gain valuable feedback.

In addition to the panel and competition, attendees can look forward to vibrant networking opportunities, vendor booths showcasing small businesses, and a meaningful fundraising initiative supporting Bras For A Cause Fresno.

Stephanie Gonzales, a fashion model and social media influencer, shared her experience from last year's event:

"It was my first time attending the Bosses in Wonderland Brunch, and it was an experience I'll never forget. I met ambitious entrepreneurs from my city, and after hearing them speak on certain struggles and obstacles they've overcome, I left feeling empowered and motivated."

Whether you're an aspiring entrepreneur, a professional seeking growth, or someone with an innovative idea to share, the Bosses in Wonderland Brunch provides the perfect space to connect, learn, and grow alongside a supportive community.

Tickets are now available on Eventbrite.

Sponsorship opportunities are available for organizations looking to support this impactful event while promoting their brand to a community of driven individuals.
