*The San Diego Union-Tribune recognizes Cognella for exemplary company culture*

SAN DIEGO, CA, UNITED STATES,  
December 4, 2024 /EINPresswire.com/

-- For the eighth consecutive year, Cognella has been named a Top Workplace by The San Diego Union-Tribune. The [list of Top Workplaces](#) is determined solely by employee feedback gathered through a third-party survey administered by the Union-Tribune's employee engagement technology partner Energage, LLC. The confidential survey uniquely measures the employee experience and critical components of effective company culture, including employees feeling respected and supported, enabled to grow, and empowered to execute, to name a few.

“

Our culture is the foundation that underpins everything we do from the products we launch to how we treat our customers and one another.”

*Bassim Hamadeh, Cognella  
Founder and CEO*

“To be awarded a Top Workplace designation for eight consecutive years is truly incredible and a testament to the strong company we are building,” said Bassim Hamadeh, Cognella Founder and CEO. “Our culture is the foundation that underpins everything we do from the products we launch to how we treat our customers and one another. I’m so proud of our team and all that we’ve accomplished together.”

“Earning a Top Workplace award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”
