

Step Toward a Cure: Join the MMRF Virtual Walk/Run on December 14th

Unite with Thousands Nationwide to Raise Funds, Accelerate Breakthroughs, and Bring Hope to Myeloma Patients Everywhere

NORWALK, CT, UNITED STATES,
December 5, 2024 /EINPresswire.com/

-- For over 25 years, the Multiple Myeloma Research Foundation® (MMRF) has led the charge as the premier cancer research organization focused solely on multiple myeloma, the second most common blood cancer. From August through December, thousands of patients, caregivers, and families have come together in cities across the country, raising funds and awareness for this critical cause.

MMRF Walk and Run in Detroit

Now, it's your turn to join the movement! On December 14th, the MMRF invites supporters from coast to coast to participate in a Virtual Walk/Run, uniting nearly 30,000 participants nationwide to accelerate the search for a cure.

“

Myeloma research has been transformed thanks to the persistence of the entire myeloma community.”

Foundation®*

Why Participate?

“Looking back to where we began over 25 years ago, myeloma research has been transformed thanks to the persistence of the entire myeloma community. Yet, there is still much work to be done,” said Michael Andreini, President and CEO of the MMRF. “We remain committed to

taking calculated risks and driving innovation through collaboration with our partners. Together, we can achieve great things for myeloma patients everywhere.”

Impact by the Numbers:

\$600M+ invested in groundbreaking research.

15+ FDA-approved therapies brought to market.

Nearly 100 clinical trials opened.

[Patient survival tripled since MMRF's founding.](#)

Funds raised through this event will drive forward life-changing breakthroughs, including the development of cutting-edge therapies, the use of data for personalized treatment approaches, and empowering myeloma patients and their families with essential knowledge and resources.
