

# The Future of Gaming Unveiled: VAP Group's Global Games Show Debuts in Dubai

DUBAI, UNITED ARAB EMIRATES, December 5, 2024 /EINPresswire.com/ -- The [Global Games Show](#) is pleased to announce its inaugural edition, taking place alongside the [Global Blockchain Show](#) and the [Global AI Show](#), on December 12 and 13, 2024 at the Grand Hyatt Exhibition Centre in Dubai.

Organized by Web3 and AI consulting giant VAP Group, the event is set to deliver an unparalleled gaming experience, redefining the future of game play.

The two-day show will be an electrifying fusion of everything gaming, where the biggest innovators, creators, developers, publishers and players come together to compete, explore, and redefine the future of gaming.

Bringing together the worlds of esports, next-gen games, and the revolutionary Web3 gaming ecosystem, this groundbreaking event will showcase the latest in game development, blockchain integration, AI, player ownership, and much more.

"Gaming is no longer just entertainment; it's an ever-evolving ecosystem where technology, creativity, and community intersect," said Vishal Parmar, Founder and CEO of VAP Group. "The Global Games Show is the perfect platform to explore this intersection and shape the future of this dynamic industry together."
