

# Yorkshire Accessibility Campaigner Publishes First Book on TGA Mobility Scooter

BOURNE END, BUCKINGHAMSHIRE, UNITED KINGDOM, December 5, 2024 /EINPresswire.com/ -- Debbie North campaigns for countryside accessibility. She's been doing this since 2010. From setting up the charity 'Access the Dales' to advising the Government, Debbie's done it all. And her achievements as a person with disabilities do not stop there. Motivational speaking, being an ambassador for TGA Mobility and writing about inclusive travel are all in a day's work. So, what's the latest? It's the publishing of her first book "North Yorkshire Accessible Walks for All," an OS Path Finder Guides. And how has Debbie been able to showcase these paths that are both scenic and accessible? On her sturdy TGA Breeze S4 mobility scooter that's how.

Debbie's passion for inclusive walks was sparked by her diagnosis and the sad loss of her husband in 2015. Both avid walkers, their joint love lives on in Debbie's work which TGA are proud to support. TGA have helped set up hubs in Malham, Nateby, Tebay and Leyburn where scooters like the Breeze are free to loan. The same sturdy scooter has helped Debbie research her book along the rocky and rugged paths of rural Yorkshire.

"My book is not just a guide; it's an invitation to explore the stunning natural beauty of North Yorkshire," says Debbie. "It includes lots of curated accessible walks with descriptions, maps and personal anecdotes. I encourage everyone to step outside and experience the joy of exploring one of England's most picturesque areas. Many of the routes are suitable for an off-road mobility
