

National Apprenticeship Week Expo 2024: A Resounding Success!

The Future Generation of Electricians!

WEST PALM BEACH, FL, UNITED STATES, December 6, 2024 /EINPresswire.com/ -- On November 20, 2024, the IEC FL East Coast Chapter proudly hosted its [National Apprenticeship Week Expo](#) at John I Leonard High School, an IEC-FECC education partner. This event brought together the brightest future electricians and leading Industry Partners in celebration of National Apprenticeship Week. This impactful event welcomed 250 electrical apprentices, providing them with hands-on learning experiences and opportunities to connect with industry leaders.

The event's success would not have been possible without the generous support and participation of many of our Member Industry Partners, including:

- ABB
- Burndy
- Copperweld
- CSA
- FRM
- Graybar
- K&M Electric Supply
- Marvin Bochner
- Metra Associates
- Milwaukee Tool
- Netzero-USA
- World Electric Supply

Industry partners engaged attendees with exciting contests and raffles, showcasing their latest innovations while creating a vibrant and interactive learning environment. Apprentices explored

Burndy Table Demonstration

cutting-edge tools, technologies, and solutions, deepening their understanding of the electrical industry and the opportunities it offers.

“This event was a testament to the power of collaboration,” said Karen Pica, Membership Director. “We’re incredibly grateful to our Member Industry Partners and John I Leonard High School for helping to make the Expo an outstanding success. Events like these highlight the importance of apprenticeship programs in shaping the future of the electrical industry.”

The National Apprenticeship Week Expo underscored the significance of training the next generation of skilled electricians, connecting them with resources and mentors that will empower their careers.
