

# West Hollywood's Latest Luxury Offering: Historic Spanish Revival Meets Modern Sophistication

*Exquisitely Remodeled Spanish-Style Retreat*

WEST HOLLYWOOD, CA, UNITED STATES, December 9, 2024 /EINPresswire.com/ -- A Spanish Revival home just north of Melrose Avenue has emerged from a thoughtful renovation that bridges its historic character with modern living needs. The property at [732 N. Vista Street](#), listed by Megan Husri of SWH/Keller Williams Luxury, represents a blend of Los Angeles' architectural heritage and contemporary design.

Built in the 1920s, the 1,387-square-foot home retains its original charm through classic white stucco exterior and mission-tile roof, while updates throughout make it suitable for today's lifestyle. The renovation particularly shines in its attention to indoor-outdoor living, with a backyard designed for year-round use featuring a saltwater pool, spa, and covered entertainment area.

A notable feature is the property's 846-square-foot detached studio, which adds flexibility as a home office, creative space, or guest quarters. The studio comes complete with its own bathroom and kitchenette, making it well-suited for various uses.

Inside the main house, the renovation prioritized both function and comfort. The kitchen features marble countertops and updated appliances, while a built-in breakfast nook makes good use of the space. The primary bedroom includes a walk-in closet and updated bathroom, reflecting the home's overall balance of practical amenities and comfortable living space.

Mature banana trees and privacy hedges surround the property, creating a natural barrier from the urban setting while maintaining easy access to West Hollywood's restaurants, shops, and entertainment venues.

The property is offered at \$1,875,000.
