

West Hills Parents Invited to Swimming Skill Assessments at SwimRight Academy

SwimRight Academy provides swimming evaluations for children in West Hills from December 9–15, 2024, focusing on water safety and skill assessment.

WEST HILLS, CA, UNITED STATES, December 9, 2024 /EINPresswire.com/ -- From December 9 to December 15, 2024, SwimRight Academy will host a week-long event in West Hills, providing families with an opportunity to assess their children's swimming abilities and [water safety skills](#) at no cost. This initiative offers parents valuable insights into their child's current comfort level in the water and readiness for swimming lessons.

The event aligns with SwimRight Academy's commitment to promoting water safety and encouraging the development of swimming skills in children. Early education in water safety plays a significant role in reducing risks associated with aquatic environments while building confidence.

“

We recognize the importance of giving parents the tools and knowledge to prioritize their child's safety and confidence in the water”

Lenny Krayzelburg

What to Expect During Open Week

Throughout the week, certified instructors will conduct complimentary evaluations tailored to children of various ages and skill levels. These sessions, lasting approximately 15–20 minutes, are designed to assess water comfort, basic swimming abilities, and awareness of water safety. Parents will receive professional feedback on their child's

current strengths and areas for improvement.

The Importance of Water Safety

Swimming is not only an enjoyable activity but also an essential life skill that contributes to reducing water-related risks. Community events like SwimRight Academy's Open Week make it easier for families to access resources that encourage safety and skill-building at an early age.

SwimRight Academy has been a trusted provider of [swimming classes](#) in West Hills for years, offering programs focused on safety, technique, and gradual skill progression. By offering free evaluations, the academy hopes to make swimming education accessible to more families in the area.

How to Participate

Parents are encouraged to schedule an evaluation in advance, as space is limited. Evaluations are open to children of all ages, whether they are just starting their swimming journey or have prior experience.
