The McGee STEM scholarship will aid underserved and underrepresented high school and college students who pursue STEM degrees at any of the nearly 100 historically black colleges and universities”

Steve Ruffin, McGee STEM Scholarship Chair

Brigadier General Charles McGee, an American hero and national treasure, entered eternal rest on January 16, 2022, at age 102. During his amazing life, he flew 409 aerial fighter combat missions in World War II, Korea and Vietnam. He holds the record for the highest three-war total of fighter combat missions of any pilot in U.S. Air Force history. He is enshrined in the National Aviation Hall of Fame. His military service began as one of the Tuskegee Airmen in the 332nd, famed pioneers who fought racial prejudices to fly and fight for their country in World War II.

General McGee was a member of Alpha Phi Alpha Fraternity for 81 years and was active in the Montgomery County (MD) Chapter for nearly 30 years, where he inspired and mentored three generations of Alpha men, thousands of STEM students, and millions of Americans.
