[The Healer](#), the latest novel by acclaimed author [John T. Tuft](#), takes readers on a gripping journey where the fate of humanity—and beyond—rests in the hands of one man.

Gideon Waters discovers his blood has the miraculous ability to cure disease, placing him at the center of a deadly race against time. Pursued relentlessly by those defending entrenched power and faith systems, Gideon's journey spans the Shenandoah Valley to Pittsburgh and the shores of Lake Erie. Along the way, he uncovers truths about love, loss, and the profound stakes of his unique gift.

Guided by a determined group of Guardians who believe he holds the key to humanity's survival, Gideon faces heartbreaking choices and dangerous revelations. His mission to save a dying pregnant woman—the last hope for the future—thrusts him into a bloody battle that spans not only this world but promises connections to other races in other worlds.

With unexpected twists and deeply moving confrontations, *The Healer* explores themes of resilience, redemption, and the extraordinary power of the human spirit.

Bertram deH. Atwood lauds the novel as "a worthy successor to Frederick Buechner in his characters and style of storytelling."

Fans of fast-paced thrillers and emotionally resonant narratives won't want to miss this exhilarating tale from John T. Tuft, also the author of the critically acclaimed *Even the Darkness*.
