

Equator Advanced Appliances Launches the EZ 4650 CV Marine Combo Washer Dryer for On-Board Laundry Excellence

HOUSTON, TX, UNITED STATES, December 6, 2024 /EINPresswire.com/ -- Equator Advanced Appliances introduces the Equator EZ 4650 CV [Marine Combo Washer Dryer](#), a robust and innovative laundry solution engineered for the demands of life on the water. Designed to withstand marine environments, this all-in-one washer-dryer unit combines durability with cutting-edge technology to simplify on-board laundry care.

Compact yet powerful, the EZ 4650 CV measures 33.5 x 23.6 x 21.8 inches (HxWxD) and offers a 1.62 cu. ft. capacity, capable of handling up to 15 lbs of laundry. Built with anti-corrosion materials, this 110V combo washer-dryer is uniquely equipped with a Salt Wash cycle to safeguard against saltwater damage, ensuring longevity in harsh marine conditions.

With 14 wash and dry programs, including [Sanitize and Allergen cycles](#), this unit delivers superior cleaning and drying performance tailored to your needs. The 1400 RPM spin speed ensures thorough cleaning and quicker drying, while advanced features such as convertible venting, self-cleaning options, and a Winterize mode add unparalleled convenience and reliability for seasonal use.

Additional highlights include:

Venting Booster fans to enhance drying efficiency.

Angled door handle for ergonomic loading and unloading.

MARINE COMBO

EZ 4650 CV

MARINE-GRADE COMBO WASHER & DRYER
The EZ 4650 combines a powerful washer with a highly efficient dryer in one space-saving unit. Its anti-corrosion design is ideal for marine living.

CONVERTIBLE DRYING
Offers both vented and ventless drying options, allowing for flexibility in installation.

SALT WASH CYCLE
This unique cycle is designed to remove salt residue from your clothes, protecting both your laundry and the combo unit from saltwater corrosion.

WINTERIZE CYCLE
Prepares the combo for cold weather usage in just 2 minutes. Simply pour antifreeze and select winterize mode.
