

Equator Advanced Appliances Unveils Compact Stackable Washer and Dryer Set with Premium Features

HOUSTON, TX, UNITED STATES, December 6, 2024 /EINPresswire.com/ -- Equator Advanced Appliances introduces the Equator Super Washer and Compact Standard Dryer, a stackable laundry solution designed to deliver superior cleaning and drying performance in a compact, space-saving design.

Ideal for homes, apartments, and RVs, this set combines innovation, versatility, and functionality to elevate laundry care.

Measuring 67 x 23.6 x 22 inches (HxWxD), the 110V washer and dryer can be stacked to save space or placed side-by-side for added convenience.

The EW 826 washer, with its 1.62 cu. ft. capacity, offers 15 advanced wash programs, including Normal, ECO, Heavy, Delicate, Sanitize, and a Pet Cycle to eliminate pet hair from fabrics. Thoughtfully designed features like foam control, an angled door, an add-a-sock option, and a secure door lock enhance the user experience.

The ED 866 vented dryer features a 3.1 cu. ft. capacity and delivers efficient drying with customizable heat levels (High, Medium, Air) and programs such as Sanitize 165°, Allergen 131°, and a 12-minute Refresh cycle. Additional highlights include Sensor Dry technology to conserve energy, Wrinkle Guard to minimize creasing, and a child lock for added safety.

Designed for reliability and ease of use, both units feature user-friendly touch controls, interior

826 + 866

WASHER + DRYER SET

- **Allergen and Sanitize Cycle**
Both units have Allergen (131°F) and Sanitize (165°F) cycles for deep cleaning.
- **Digital and Manual Temperature Control**
Both units feature precise temperature settings for various fabric requirements.
- **Refresh Cycle**
A 12-minute cycle refreshes clothes, removing wrinkles and odors.
- **Shoe Cycle**
Use the special shoe cycle to gently dry your shoes.
- **Automatic Wrinkle Guard**
Prevents wrinkles by tumbling clothes until you're ready.
