About Lodging Interactive

Since its founding in 2001, Lodging Interactive has provided digital marketing services to hotels worldwide, including select service, full-service, and luxury properties. The Company's social media marketing and

guest reviews response division, CoMMingle:Engage, serves a range of hospitality businesses, including hotels, restaurants, spas, and management companies. Additionally, the Company provides subscription-based website development and digital marketing services. The subscription-based service is based on a 'pay-as-you-go' model and requires little upfront investment on the part of the hotel. The Company continues to innovate by introducing supportive services that enhance its primary business lines. Recently, it launched Commingle360 and Social Media Amplified, custom landing page services aimed at driving direct bookings through social media content posts. Lodging Interactive has received numerous awards, including the HSMAI Adrian Award and accolades from the International Academy of Visual Arts, Interactive Media Awards, Horizon Interactive Awards, Web Marketing Association, Academy of Interactive & Visual Arts, and Travel Weekly's Magellan Awards.
